14 Describe the organizational action and, if applicable, the date of the action or the date against which shareholders' ownership is measured for the action ▶ During its fiscal year ending 12/31/15, Fidelity Advisor Series II: Fidelity Advisor Strategic Income Fund (the "Fund"), declared daily income distributions to its shareholders, which were paid monthly. The dates and amounts of those distributions is shown on the attached schedule. In February 2016, the Fund determined that its earnings and profits for its fiscal year ending 12/31/15 were insufficient to characterize a portion of those distributions as dividends under IRC Section 301(c). As a result, 21.8361% of the February thru December distributions has been characterized as return of capital.

15 Describe the quantitative effect of the organizational action on the basis of the security in the hands of a U.S. taxpayer as an adjustment per share or as a percentage of old basis ▶ The per share amounts of each non-taxable return of capital, shown on the attached schedule, and received with respect to a share of the Fund will reduce a shareholders' adjusted tax basis in that share. To the extent the total return of capital received with respect to a share of the Fund exceeds the shareholders' adjusted tax basis in that share, such excess will be recognized as a capital gain.

16 Describe the calculation of the change in basis and the data that supports the calculation, such as the market values of securities and the valuation dates ▶ The adjusted tax basis of each of a shareholders' shares of the Fund is decreased by the per share returns of capital, shown on the attached schedule, received with respect to that share. To the extent the return of capital amounts exceed a shareholders' adjusted tax basis in a Fund share, such excess would be recognized as capital gain from the sale or exchange of property.

**Part II Organizational Action** (continued)

17 List the applicable Internal Revenue Code section(s) and subsection(s) upon which the tax treatment is based ▶ IRC Section 301(c), Section 316(a), Section 316(b)(4), Section 852(c)
