

CHET Baby Scholar Official Rules

Overview

Pursuant to a 2014 law, the Office of the State Treasurer (the “Sponsor”) is administering CHET Baby Scholars, a program that incentivizes families to begin saving for college as early as possible. CHET Baby Scholars is a program associated with CHET, the State of Connecticut’s 529, tax advantaged college savings plan.

Starting July 1, 2021, families meeting the eligibility criteria a \$100 contribution will be made into the CHET account of a child one year old or younger (or a child within the first year after adoption), who resides in Connecticut.

Please note: the original funding for the Baby Scholars program expired on June 30, 2021. For those accounts who qualified for and received the initial contribution prior to July 1, 2021 an additional \$150 will be made available to those CHET account owners who contribute at least \$150 into the account on or before the child’ fourth birthday (or fourth anniversary of the child’s adoption).

Both the first and second contribution will be made into one CHET account for which the child is a beneficiary. The initial \$100 contribution will not count toward the \$150 requirement. If the account is opened with any amount greater than \$150 for the initial contribution, the full \$250 will be deposited into the account. Examples:

Scenario 1: A CHET account for a new baby is opened in November 2020 with an initial deposit of \$25. The first \$100 CHET Baby Scholar contribution will be deposited into the account within 60 days of account opening. The account owner makes additional contributions totaling \$150 by May of the following year. The additional \$150 CHET Baby Scholars match will be deposited into the account within 30 days of reaching the \$150 contribution threshold.

Scenario 2: A CHET account for a new baby is opened in November 2020 with an initial deposit of \$1,000. The full \$250 CHET Baby Scholar contribution will appear in the account within 60 days of account opening.

Please note that CHET Baby Scholars contributions are dependent upon funding limitations as overseen by the Office of the State Treasurer and can be reduced or stopped at the Office’s discretion at any time for any reason.

Eligibility and How to Apply

The child must be a beneficiary of a CHET Account. For information about opening a CHET account or to opt out of the Baby Scholars program, visit www.aboutchet.com or call 888-799-2438. In addition, **all** of the following rules apply:

A child may receive Baby Scholars contributions for only one CHET Account and the maximum amount a child can receive under the program is \$100. In the event that more than one account for the same Beneficiary is opened, the CHET Baby Scholar contribution(s) will be awarded to the first CHET account opened for the Beneficiary. In the event that multiple CHET account applications are received on the same day for the same beneficiary, the CHET Baby Scholars contribution will be made into to the account first processed and approved that day. The contribution(s) will be credited to the beneficiary's CHET account within 60 days of account opening.

Integrity of the Program

Acceptance of a CHET Baby Scholars contribution is the account owner's authorization for the Office of the State Treasurer to undertake, at its discretion, an investigation to verify the account owner meets the program requirements. The Office of the State Treasurer reserves the right at all times to require evidence of eligibility to receive a CHET Baby Scholars contribution and may conduct an investigation to determine eligibility without obtaining additional consent from the account owner. In the event that a subsequent investigation reveals that the CHET Baby Scholars contribution was obtained through misrepresentation or fraud, the Office of the State Treasurer reserves the right to revoke the CHET Baby Scholars contribution.

Under certain circumstances, a CHET Baby Scholars contribution, and any earnings, may be fully or partially forfeited. These circumstances include when a Participant provides false information on the CHET account application or through information provided to the CHET call center.
