

# Qualified Charitable Distribution—IRA One-Time Withdrawal

Use this form to make a one-time, tax-reportable Qualified Charitable Distribution (“QCD”) from a Traditional, Rollover, Roth, inactive SEP, inactive SIMPLE, or Inherited IRA. Do NOT use this form for Fidelity Retirement Plan accounts, annuities, nonretirement accounts, or for any IRA-to-IRA transfer. Also, do NOT use this form to purchase an investment in your IRA. Go to [Fidelity.com/forms](http://Fidelity.com/forms) to find the appropriate form. Not available to nonresident aliens due to tax-withholding requirements. Type on screen or fill in using CAPITAL letters and black ink. If you need more room for check requests, make a copy of the relevant page.

## Helpful to Know

- It is your responsibility to ensure that your IRA distributions comply with IRS rules. All transactions made using this form are reported to the IRS as an IRA distribution. You may want to consult a tax advisor as such distribution generally results in taxable income to you.
- If you are making withdrawals from more than one IRA, you must complete a separate form for each account. Note: The maximum total distribution amount that can be requested via this form is \$100,000.
- For mutual funds, note that:
  - Withdrawals could trigger redemption or transaction fees (see the applicable fund prospectus).
  - If a fund is closed to new investors, you will not be able to purchase new shares of the fund in the future if you draw your fund balance down to zero.
- Drawing your total IRA balance down to zero could trigger account-closing fees.
- If you want to withdraw the value of individual securities, ETFs, and certain non-eligible mutual funds (such as closed-end funds), you must sell them in advance and withdraw them as cash.
- All sales initiated by this form are charged at rep-assisted processing commission levels. If you want online commissions, please place the trade online and then distribute from cash in Section 2.
- To allow adequate time for processing, return this form no later than November 30 or March 1, as applicable. Fidelity cannot assume responsibility for making your distribution by the April 1 IRS deadline for your initial MRD or the December 31 deadline for subsequent year MRDs.

## Important to Know About QCDs

- You MUST be age 70½ or older on the date of the distribution.
- A QCD will count toward satisfying any minimum required distributions (MRDs).
- QCDs are federally tax free and are limited to the amount that would otherwise be taxed as ordinary income. State tax rules may vary.
- The maximum annual exclusion per individual is \$100,000.
- As a QCD is not subject to tax withholding, tax withholding will not be applied to this request.
- The distribution must be made payable directly to the qualified charity by the custodian.
- The charity must qualify as a 501(c)(3) organization and be eligible to receive tax-deductible contributions.
- Certain charities do not qualify: sponsoring charities of donor-advised funds, private foundations, and supporting organizations.
- Any QCD from an Inherited IRA or Inherited Roth IRA will be reported as a death distribution on your 1099-R. A QCD from any type of non-inherited IRA will be reported as a normal distribution.
- Please consult a tax advisor to discuss this option and for state-specific guidance.
- Each check will be made payable to the qualified charity, and list your name as donor. **Note: You should follow up with the charity directly for a receipt of your donation.**
