

Withdrawal—One-Time

Brighthouse Growth and IncomeSM Annuity

Use this form to make a one-time withdrawal from or to surrender your Brighthouse Life Insurance Company annuity contract. Type on screen or print out and fill in using CAPITAL letters and black ink. If you need more room for information or signatures, use a copy of the relevant page.

Helpful to Know

- To make one-time withdrawals from more than one annuity, use a separate form for each contract.
- Review your contract for conditions and policies that apply to withdrawals from your annuity, including frequent trading policies.
- A one-time withdrawal from your contract will suspend systematic withdrawals for the remainder of the contract year. You can reestablish them on or after your next contract anniversary.
- Excess withdrawals—any withdrawal greater than your contract's guaranteed withdrawal benefit (GWB)—will result in a reduction of future guaranteed withdrawal amounts. To discuss how an excess withdrawal could affect your future withdrawals, call Fidelity.
- The first withdrawal taken after the youngest annuitant turns 59½ determines the withdrawal percentage for the remainder of the contract's duration.
- It is your responsibility to ensure that your withdrawals comply with IRS rules. All transactions made using this form are reported to the IRS. You may want to consult a tax advisor.

5. Tax Withholding

Withdrawals from your annuity are subject to federal and, where applicable, state income tax withholding, unless you choose not to have withholding apply, below (and if you provided a U.S. address). If you do not elect out of withholding, federal income tax will be withheld at the rate of 10% from the taxable portion of your annuity withdrawal amount, unless you indicate a higher percentage below.

If you choose not to have withholding apply, or if you do not have enough federal income tax withheld, you may be responsible for payment of estimated tax. You may incur penalties under the estimated tax rules if your withholding and estimated tax payments are not sufficient. Withholding instructions provided will remain effective for all withdrawals until you either revoke them or give us new instructions.

Check one in each column. Contract owner's legal/residential address determines which state's tax rules apply.
