

Systematic Withdrawal Program – Fidelity Growth and Guaranteed Income[®] Annuities

Use this form to establish, update, or delete a systematic withdrawal program for a Fidelity Growth and Guaranteed Income[®] Annuity contract. Type on screen or print out and fill in. For best results, use CAPITAL letters and black ink. Need more room for information or signatures? Use a copy of the relevant page or a blank sheet.

Helpful to Know

- You cannot start this program until the youngest annuitant is 59½. The first withdrawal taken after the youngest annuitant turns 59½ determines the withdrawal percentage for the remainder of the contract’s duration.
- If you make any withdrawals outside this program, the program will end immediately.
- If you have taken a partial withdrawal during the current contract year, your systematic withdrawal program cannot be restarted until on or after your next contract anniversary.
- For qualified contracts, the program may not meet your required minimum distribution (RMD) requirements depending on the start date, frequency of withdrawals, or modifications to an existing program.
- If you have multiple contracts, you will need to file a copy of this form for each one.
- Allow 30 days for this feature to be added to your contract.
- Be sure that your withdrawals (including any modifications to your program) comply with IRS rules and deadlines. You may want to consult a tax advisor.

If you do not elect out of withholding, federal income tax will be withheld at the rate of 10% from the taxable portion of your annuity withdrawal amount, unless you indicate a higher percentage below. If you choose not to have withholding apply, or if you do not have enough federal income tax withheld, you may be responsible for payment of estimated tax. You may incur penalties under the estimated tax rules if your withholding and estimated tax payments are not sufficient. 7. Signature and Date ALL contract owners must sign and date.

By signing below, you:

- Authorize and request Fidelity Investments Life Insurance Company to make the periodic withdrawals and/or RMD calculations indicated on this form from the contract listed in Section 1.
- Acknowledge that nonqualified withdrawals will be taxed as ordinary income, and may be subject to a 10% early withdrawal penalty if taken before age 59½.
- Indemnify Fidelity and its agents, affiliates, successors, and employees from any liability in the event that you fail to meet the IRS requirements.
- Acknowledge, if any portion of this contract was funded via a partial exchange of an existing annuity contract within the last 6

Customers requesting EFTs

- Authorize and request Fidelity to make EFT withdrawals from the contract listed in Section 1 by initiating debit entries to that contract.

- Acknowledge that Fidelity may, under certain circumstances, share some of my data with a third-party fraud prevention service for the purpose of verifying that I am an authorized signatory of the Bank Account which I would like to link to the Annuity. Such data may, for the purpose of fraud prevention, include my name, bank account identification information, Social Security number, and date of birth. If Fidelity is unable to validate my account, I will be advised of that fact, and will be provided with a statement of my rights under the Fair Credit Reporting Act.

A Medallion signature guarantee is required next to each signature below if:

- **Setting up EFT in section 5 and no check, savings deposit slip, or bank statement is attached.**
- **Your withdrawal amount is over \$100,000.**
- **Withdrawals are sent to someone other than the account owner.**
