

Automatic Annuity Builder

Fidelity Personal Retirement Annuity and Fidelity Retirement Reserves Annuity

Use this form to establish, update, or delete an automatic annuity builder program for your Fidelity annuity contract. Type on screen or print out and fill in using CAPITAL letters and black ink. Need more room for information or signatures? Use a copy of the relevant page.

Helpful to Know

- To make automatic investments into more than one annuity, use a separate form for each contract.
- The automatic annuity builder program is not available if your Retirement Reserves annuity was issued in New York.
- If you need to skip a month, you must notify Fidelity no later than 10 business days before the scheduled payment.

1. Contract Owner(s)

Trust and UGMA/UTMA Accounts:
Provide names of authorized individuals in the Contract Owner fields.

Phone numbers will be used if we have questions, but will not be used to update your account information.

4. Amount and Frequency

We may sometimes make investments later than the date you request in this section. Examples include investments that are scheduled for a day when the stock market is closed or for a day that is a nonbusiness day. Subsequent investments will occur on the same day of the month as the investment date that you select below.

Check ONLY one and provide amount and start date.

Dates MUST be between the 1st and the 28th of the month indicated.

5. Invest in These Funds

Depending on your choice in this section, we will invest your assets according to the premium allocation that is on file for the receiving contract OR invest only in the annuity funds and percentages that you specify (and update your premium allocation). **Note: You can have only one premium allocation on file at a time.**

Check one and provide any required information.

- Use the premium allocation ON FILE for the receiving contract. **May differ from the contract's current portfolio allocation.**
- REPLACE the premium allocation on file and invest in these funds at these percentages:

6. Signature and Date *ALL contract owners must sign and date.*

By signing below, you:

- Authorize and request Fidelity Investments Life Insurance Company and its agents, affiliates, employees or successor custodians (Fidelity) to make the deposits, and investments indicated on this form to and from the accounts indicated in Sections 2 and 3.
- Certify that all information you provided is correct to the best of your knowledge.
- Agree to pay any transaction fees your bank may charge in connection with transactions involved in electronically transferring money from your bank to your contract.
- Authorize Fidelity to act on all instructions given on this form.
- Understand that Fidelity will not be liable for any loss, expense, or cost arising out of your instructions, provided that it institutes reasonable procedures to prevent unauthorized transactions.

Customers requesting EFTs:

- Authorize Fidelity to make, and the bank to accept, electronic payments between this contract and the bank account identified in Section 3 (or by attached voided check or deposit slip), by initiating credit or debit entries to the bank account according to valid instructions from you or any other owner or authorized party.

A Medallion signature guarantee is required if setting up EFT and no check, savings deposit slip, or bank statement is attached. You can get a Medallion signature guarantee from most banks, credit unions, and other financial institutions. A notary seal/stamp is NOT a signature guarantee.
