Additional Provisions Relating to Beneficiary Designations

For the purpose of this Beneficiary designation, Life Insured means the individual upon whose death the proceeds are payable.

Naming of Beneficiaries: If a named Beneficiary is a minor or deemed incompetent, benefits will be payable to the legal guardian or conservator. Evidence of guardianship or conservatorship is required. Do not designate a class of people such as “the children of the insured.” Name all individuals in the appropriate section on the Beneficiary form.

Beneficiary Classification: Unless otherwise specified, Beneficiaries in the same class will share equally in any death benefit payable to them. If proceeds are payable in unequal shares, express the shares as a percentage of the proceeds payable. If a Beneficiary dies before the benefit is payable, his or her share will be allocated equally among any surviving Beneficiaries in the same class.

Payment to Beneficiaries: The Company will pay the death benefit as follows:

1. To any Primary Beneficiaries who are alive when a payment is due; or
2. If no Primary Beneficiary is then alive, to any Secondary Beneficiaries who are then alive; or
3. If no Beneficiary is then alive, to the policy owner if other than the Life Insured.
