

**Offer Rules:**

This offer is valid for new or existing Fidelity customers. In order to receive the cash bonus, you must open and fund a new eligible Fidelity Brokerage Account and Fidelity Cash Management account on or after 06/22/2018. Fidelity customers who currently have an existing brokerage or cash management account are not eligible for this offer.

Deposits of \$50 to \$99 may receive \$50, deposits of \$100 to \$149 may receive \$100, deposits of \$150 to \$199 may receive \$150, and deposits of \$200 or more may receive \$200. Offer is nontransferable, limited to one per individual per rolling 12 months, and may not be combined with other offers. Fidelity reserves the right to modify these terms and conditions or terminate this offer at any time. Other terms and conditions, or eligibility criteria, may apply.

Customers must register at [www.fidelity.com/stack](http://www.fidelity.com/stack). If you try to register with a designated Fidelity representative, they will direct you to [www.fidelity.com/stack](http://www.fidelity.com/stack) to register for the offer. New accounts must be funded within 60 days ("the qualification period"). Funding must come from an external, non-Fidelity source via any standard monetary transfer method (a standard Transfer of Assets form, check, electronic funds transfer, ADM deposit, etc.). Rollovers from a former employer's Fidelity-record kept workplace savings plan are not eligible for this offer. Cash, eligible securities, and/or margin debit balance transfers from external sources will be valued at the time Fidelity receives them.

Cash bonus will be calculated on net deposits into any qualifying accounts over the qualification period from the time of registration for the offer. The bonus will be paid directly to the qualifying account(s).

For purposes of this offer, net deposits shall mean total external deposits or transfers (including cash, eligible securities and/or margin debit balance transfers) minus assets withdrawn or transferred out of the accounts within the qualification period.

Account holders must maintain the minimum qualifying account balance (minus any losses related to trading or market volatility, or margin debit balances) at Fidelity for at least nine months from the date on which the bonus award is credited to the account, or Fidelity may charge the account the cost of the bonus award. In addition, account holders must not use qualifying deposits to purchase insurance or annuity products offered or distributed by Fidelity within 60 days of receiving a bonus award, or Fidelity may charge the account the cost of the bonus award. Please allow up to a week after the qualification period for the bonus award to be credited to your account.

Eligible accounts for this offer include nonretirement (individual or joint) brokerage accounts which meet the minimum funding requirements for this offer. IRA accounts are not eligible.
