

## Classroom Session 2: Placing Trades and Monitoring Orders

The homework consists of a set of activities for you to complete in Active Trader Pro® and will help you with getting acquainted with the platform. We will review these steps in the next class.

1. Open the “Homework” layout
2. Set a “default trading account”
3. Launch a trade ticket from the menu at the top of ATP
4. Launch a trade ticket from your positions page
5. Launch a trade ticket from the quote window
6. Open a “Multi-trade” ticket and add a new order to the ticket
7. Delete the new order that you added
8. Open the “Directed Trade & Extended Hours” ticket and add in a symbol
9. Open the “Orders window”
10. Change the color of “Verified Cancelled” orders
