

2020 Corporate Dividends Received Deduction Information

We are writing with information to help you complete your U.S. corporate income tax return.

A portion of the dividends you received may be eligible for the dividends-received deduction available to corporate shareholders for calendar year 2020.

To determine the amount of each dividend that may be eligible for the deduction, multiply the amount shown as ordinary dividends in 2020 by the corresponding percentage from the table that follows. The amount of each dividend you received is reported as follows:

For **Fidelity Brokerage Accounts**, in the Detail Information pages of your 2020 Informational Tax Reporting Statement, find the Details of Dividend and Distributions Transactions section, Total Ordinary Dividends and Distributions Detail, Total Ordinary Dividends.

For **Fidelity Mutual Fund Accounts**, in the Transaction Details Section of your 2020 year-end Investment Report.

The following example shows how a Fidelity Asset Manager® 40% Fund corporate investor would calculate the amount of each ordinary dividend that may be eligible for the deduction.

Ex-Date	Ordinary Dividends (from your 2020 Tax Reporting Statement or Investment Report)		Qualifying Percentage (from table in this letter)		Dividends that May Qualify for Dividends-Received Deduction
04/03/2020	\$1,000	X	26%	=	\$260.00
07/10/2020	\$1,000	X	26%	=	\$260.00
12/30/2020	\$1,000	X	6%	=	\$60.00
					\$580.00

In this example, \$580.00 may qualify for the dividends-received deduction.

Subject to certain exceptions and limitations, the aggregate amount of dividends-received deductions that may be taken by a corporation is limited to 50% of its taxable income. Dividends on fund shares that are held less than 46 days are not eligible for the deduction. We suggest you consult your tax advisor, who is most familiar with your circumstances and the laws of the state in which you reside, to determine how you should report this information on your state tax returns.
